FENCING DECKS PATIOS SHEDS FLOORING RENOVATIONS BASEMENT

## About

For more than a decade Platinum Construction has been providing homeowners with a reliable, highly skilled source for their home improvement projects. We're raising the bar in our industry with a level of customer service, quality workmanship, and professionalism that customers want and deserve.

Platinum serves both residential and commercial customers, providing the highest level of service and reliability from start to finish. As a family-based business, we know it is our name on the line – and we deliver customers the kind of service and value you'd deliver a family member. We develop long-standing relationships with families just like our own, not only renovating and building home additions, but dreams.

Our high standard of workmanship and service have made us into a rapidly growing business as we do it as you would do it – right, the first time.

## Services

Serving customers in a variety of ways, Platinum Construction is a multi-division company that specializes throughout the construction industry. We take on a variety of construction jobs ranging from fencing to home renovations.

All the projects Platinum completes comply with city codes and are finished with the highest construction standards, ensuring safety, longevity, and a higher resell value.

At Platinum Construction we take the time to make sure every aspect of the construction process is done with the utmost care and detail to ensure and guarantee an end product that will surpass customer expectations.

Here is a short list of a few of our typical projects:

- Fencing
- Decks
- Patios
- Sheds
- Flooring (hardwood / ceramic)
- Renovations
- Basements

## About

The Fence & Deck Store is a supply only company that specializes in – not surprisingly – fences and decks. We offer the widest variety of options for Ottawa Do-It-Yourselfers, fence contractors, and landscape companies.

At The Fence & Deck Store you'll find we can meet almost any request (standard and custom) to meet your project specifications. And if you need installation assistance, our business partner, Platinum Construction, who would be happy to fulfill your needs for a reasonable price.

Patrons at The Fence & Deck Store find professional advice with installation ideas and product knowledge, ensuring installation requirements are met. All of our products have been extensively tested to ensure our customers get the best available materials, at prices that go unmatched!

## Bringing You the Best in Ottawa Fencing

The Fence & Deck Store bring together the most sought after brands, models, and options under one roof, making shopping for the right materials a simple and efficient process. You'll find countless styles from different brands designed to impress and enhance outdoor living spaces.

We've been in the business of providing beautiful solutions for deck and fencing in Ottawa for more than 10 years and have been providing home and business owners lasting quality, durability, and reliability.

Our dedication to customer satisfaction is second to none and our products undergo rigorous testing before being made available for sale. This guarantees our customers receive nothing less than high quality items within a price range the competition cannot match.

We offer leading brands including Ameristar and more, backed by the industry's best warranties. In an effort to keep our customers educated we provide all the resources they need on our quality products with a Consumer's Guide to Decking and Fencing in Ottawa. This covers a variety of topics including choosing and designing the right fence and deck for your home.
